

# Simcoe Office Products and Design

provides office supplies, furniture, and various technology products including printer toners to businesses and government clients in Simcoe, Ontario and the surrounding region. In business since 1992, Simcoe Office Products is a locally owned, all Canadian operated business that takes great pride in having satisfied customers and repeat business. Their focus has solely been on providing service to business and Government customers, they do not have a retail store. Everyday office supplies come with Free next day delivery and all furniture prices include delivery and installation, and Simcoe Office products also offers clients space planning and project management services. No job is too small.

Customers of Simcoe Office Products love their exceptional service, along with awesome pricing and going the extra mile to ensure every customer is satisfied. It is this high level of service that has led to a devoted customer base and testimonials such as "the employees are a pleasure to deal with and you can tell they love their jobs," as well as "Their services and creativity are top-notch, and we have been very pleased with the assistance and products they have provided." These positive testimonials have been earned through years of outstanding customer service, competitive pricing and quality products. Their prices on everyday office products simply cannot be beat, offering "Big City Savings, with Small Town Service." Simcoe Office Products take their job seriously and put the needs of their customers first in everything that they do.

Additionally, Simcoe Office Products is extremely focused on the communities they serve, as demonstrated by their support over the years of a number of local charities. This passion for helping the communities where they work reflects the values of Simcoe Office Products as an organization. Simcoe Office Products also has a location in Trenton, Ontario and is a member in good standing of the Canadian Federation of Independent Businesses, as well as the Canadian Office Product Association.

For businesses and organizations in need of office furniture, supplies and technology, the choice is clear. Simcoe Office Products and Design is the number one choice for office supplies and furniture for local business for over 23 years. Their prices can't be beat and they offer no hassle account opening; simply hand them a business card, no forms or credit application required since they trust their customers. You will be working with live operators who can assist you, and easy online ordering is available with free next day service.

There is no better office supply company in the Simcoe area or surrounding region.
